Dear Rinaldo Bianda:

We are preparing for the next Biennial of Sao Paulo, a Festival of Video Art and would like to know if you may collaborate with us.

We want to ask you if you can record a tape (PAL-M or NTSC) with videos that you presented at Eurovideo '85, with those same artists or, if you prefer, with any others.

Of course, we will give the corresponding credits to you and the artists in a catalog that will be edited by ICASA on occasion of the Biennial, that will be opened next October 4.

We shall be awaiting your prompt reply, and remain,

Cordially yours,

Jorge Glusberg
