Dear Vittorio and Bianda,

I'm writing on behalf of Professor Yoichiro Kawaguchi.

We had already sent a package of Yoichiro's works, including Videotape, book etc. I hope it arrived to your place safely. If, in any chance, they are not arriving please let us know shortly.

By the way, since the program date is coming closer, we have to make clear the exact schedule.

We are planning to purchase air ticket shortly, please let us know when and what time the event take place. Yoichiro's schedule is rather tight and after Locarno, he have to go Los Angeles on 6th or 7th August.

I wish your reply in your earliest convenience.

Best Regards,

Naohiro Shichijo
