Yoichiro's schedule proposal is as follows,

8/3 departs Japan and arrives Italy
8/4 stay at Locarno
8/5 stay at Locarno
8/6 stay at Locarno
8/7 departs Italy and go to Los Angeles (USA)

We are not already purchased airticket. As shown above,
Yoichiro can stay Locarno from 4 to 6 (at maximum),
is that reasonable?

We will purchase airticket as soon as schedule is fixed,
We greatly appreciate if you could kindly tell us the information
about directions and hotels etc.

As for the festival, how could us bring artworks?
