Dear Kawaguchi,
time are running so fast...,it will be Ok to organise in Torino and/or Bergamo your special event with you.

Concerning your presentation in Locarno we will introduce your work by the press and we will introduce video-retrospective (tapes as your list) on screening program, with Jean-Paul Fargier Retrospective and the official selection of '99 competition.

I will like to know if there is any site on Internet concerning your works to be linked by our site and present in Locarno events. Peraph you can thing to some oppportunity to organise some happening (from Japan or Los Angeles) to be in an interactive situation with Locarno public during the Festival data.

Concerning your tape works we will need them in VHS format or in 3/4 U-Matic, it is not possible to read Beta in NTSC format.

You can send-it to our adress:

VideoArt Festival

via Varenna 45

CH-6604 Locarno - Switzerland

utill the begining of august. Please inform us about the cost.

For our catalogue we need also more detail about your works (we have recieved title and year of production, we need also duration and a little descriptive of contents)

With our best regards.
